

Microsoft Azure Virtual Training Day: DevOps with GitHub

Thanks for registering for the Microsoft Azure Virtual Training Day: DevOps with GitHub. We're excited to have you join us for this two-part learning event designed to help you implement DevOps concepts, manage the flow of work, and solve security, quality control, and cloud deployment challenges.

Please be sure you've got the time blocked on your calendar to join us, a link to join the event is included in the calendar invite. You'll also receive links to join the event in a reminder email sent three days prior to the event, and in a separate email that will be sent one day prior to the event.

You are confirmed to attend the following:

Microsoft Azure Virtual Training Day: DevOps with GitHub Part 1

Wednesday, October 20th, 2021 |

10:00-12:55 (GMT+02:00) Belgrade, Bratislava, Budapest, Prague
